

The Heart Mark Product List 2011

APPROVED AS PART OF
THE HEART AND STROKE
FOUNDATION EATING PLAN

The Heart Mark is a guideline and incentive for shoppers to instantly identify healthy products on the shelf. These products are: lower in cholesterol, lower in saturated fat, lower in salt, high in fibre (where applicable) and lower in added sugar.

By choosing a product carrying the Heart Mark logo you know that:

- You are choosing the healthier option
- The product has met stringent nutritional standards set by the Heart and Stroke Foundation SA
- The product has undergone independent testing by a reputable laboratory

Should you need any dietary advice, contact the Heart Mark Diet Line on 0860 143 278 for assistance from a Registered Dietician or visit www.heartfoundation.co.za.
