

Kids in our Heart!

The gift that keeps giving...in 2008 **Clicks** National Support Centre hosted a *Toy Toy campaign* in association with Goodhope FM in the Western Cape. This toy collection campaign for underprivileged children was such a huge success that the Foundation has set out to go national with 2009's **Kids in our Hearts** campaign. This Christmas season the Clicks Foundation and **Heart and Stroke Foundation South Africa** are partnering to launch *Kids in our Heart* collection drive.

The campaign encourages the collection of toys, toiletries and stationery at **250 Clicks retail stores across** the Cape, Port Elizabeth, Durban, Johannesburg and Pretoria – consumers need to look out for the **Big Box!** Rush to your nearest store today, there are only two weeks left!

Your generous donations will be touching the hearts of thousands of children listed on the Heart and Stroke Foundation SA's award winning **Children's Programme**. Since its inception in 1997, the Children's Programme now educates **2.1 million children** on eating correctly to prevent future heartache.

If you would like to get involved in the **Kids in our Hearts** campaign, go to your nearest Clicks store today as there are only two weeks left!
